TRADITIONAL STYLING

By MITER Brands™

## Framing home in a new light

The path to perfect windows and doors has never been more clear. From tranquil mornings to lively family dinners, MILGARD seamlessly connects you to what matters most: windows and patio doors that frame life's most meaningful moments.

As a trusted brand for more than half a century, MILGARD offers products that promise long-lasting comfort, protection, and exceptional quality day after day, year after year.

### EXPERIENCE IS EVERYTHING

Our experts match you with attractive, reliable windows and patio doors that best fit your home, your needs, and your price point.

### CONFIDENCE TO CREATE

We deliver the highest-quality windows and patio doors through our passion for craftsmanship and a relentless pursuit of 100%.

### EVERY DETAIL, EVERY DAY

From robust testing and precision manufacturing processes to the innovations we develop for your comfort, every detail matters.

### WHY WE'RE THE RIGHT CHOICE.

MILGARD offers beautiful, worry-free windows and patio doors to frame each of life's little moments. Our exacting manufacturing processes and the innovations we develop mean you get reliable windows and doors that perform year after year. With MILGARD, you'll receive a level of service and quality others simply can't match, backed with an industry-leading warranty.

100%

# Make your home an instant classic

You'll be the talk of the neighborhood when you enhance your home with our V400 Tuscany® Series windows and patio doors. Create an alluring aesthetic with traditional styling and an assortment of operating styles, configurations, and color options that provide endless design opportunities for any home renovation or new construction project.

## SERIES OPTIONS

### WINDOWS

### PATIO DOORS

STYLISH DESIGN

#### Traditional style

The wider frame profile creates unique shadow lines for a classic look that is elegant and timeless.

VIEWING AREA

#### Even sightlines

Enjoy even sightlines from top to bottom and across operating styles for a streamlined and aesthetically pleasing look throughout your home.

See our entire Tuscany Series offering online!

“THE DURABILITY AND CRAFTSMANSHIP OF THE WINDOW IS GREAT – VERY CLEAR AND CLEAN.”

– Monterey, CA

# Innovations that endure

Every detail in the V400 Tuscan® Series is constructed with an eye toward style, functionality, and performance. Plus, the easy-to-use hardware uniquely designed for this series practically disappears from view.

## SMARTTOUCH® INNOVATION

We have a long-standing tradition of innovation. The SmartTouch window lock, exclusive to MILGARD, addresses the need for durable windows and patio doors that exceed rigorous California forced-entry codes.\*

- **Intuitive.** It's the easiest way to unlock and lock windows, allowing you to open or close them in one smooth, single motion with no pinching or twisting.
- **Streamlined.** The lock is incorporated into the window sash for a sleek, low-profile design.
- **Strong.** Constructed from die-cast zinc, making it strong and built to last.
- **Secure.** When the handle is down, the window is locked, so you can rest assured your window is secure at a glance.

SmartTouch® Lock (above) available on Single-Hung, Double-Hung, Horizontal Slider, and Double Horizontal Slider

## HARDWARE

### Vent Stop

- Single-Hung
- Horizontal Slider
- Double Horizontal Slider

### Folding Nesting Operator

## HARDWARE FINISHES

White

Tan

Adobe  
Portland only:  
in lieu of Tan

All vertical and horizontal sliding windows come with pull rail screens for easier removal and installation. Hardware color will match interior frame color selection of white, tan, or adobe. On-screen and printed color representations may vary from actual finish colors.

\*Based on guidelines set by the American Architectural Manufacturers Association.

See our entire Tuscan Series window offering online!

**INSTALLATION CONFIGURATIONS**

Buying windows doesn't have to be complicated. MILGARD makes it simple, from the planning stages through project completion. We'll help you understand which frame type suits your project and home style.

**Nail Fin**

The nail fin is attached directly to the house's frame in new construction and replacement projects where studs are exposed.

**Z-Bar**

This configuration comes with a flange on the exterior of the window to cover and seal the frame on homes with stucco.

**Block**

Commonly used for replacement projects, this window inserts into your existing frame, leaving interior and exterior trim undisturbed.

**EXTERIOR TRIM OPTIONS**

**3/4-Inch Flat**

Our factory-applied 3/4-inch flat trim is a clean and simple way to cover the edge between the window and the exterior surface of your home.

**1-Inch Contour**

1-inch contour trim is welded to the frame at the manufacturing facility, adding a touch of traditional style without extra effort during installation.

**Brickmould Style**

Brickmould-style trim is snapped in-place after the new window is installed to provide a truly traditional look on your home's exterior.

**OUR APPROACH**

Our windows insulate as well as elevate, tirelessly working to seal out the elements and create homes that are protected, comfortable, and quiet. The path to perfect windows and doors has never been more clear.

**Window features**

**1 VINYL FRAME**

Crafted with a unique vinyl formula, enjoy low-maintenance, high-performance vinyl with long-lasting comfort.

**2 SMARTTOUCH® INNOVATION**

It's the easiest way to unlock and lock windows, allowing you to open or close them in one smooth, single motion.

**3 TIMELESS STYLE**

Thanks to its frame shape and equal sightlines, the V400 offers the timeless and elegant look of traditional wood windows.

**4 ENERGY EFFICIENT**

Tested and built for your climate, our windows and doors adhere to ENERGY STAR® v6 requirements for energy performance.

**5 FULL LIFETIME WARRANTY**

You're covered for as long as you own your home with our industry-leading Full Lifetime Warranty that includes Glass Breakage coverage.

“THIS SLIDING PATIO DOOR OPERATES VERY SMOOTHLY AND QUIETLY.”  
- West Richland, WA

# Create seamless transitions

The V400 Tuscany® Series patio door provides outstanding views to the outside and immerses your interior space with natural light. Available in sliding or French swinging (in select markets), the V400 is custom made to your exact measurements and crafted with award-winning hardware.

## HARDWARE

### SLIDING DOOR

## VINYL EXTRUSIONS

Solid vinyl extrusions offer even color distribution inside and out for windows and doors that are timeless, durable, and attractive.

White

Tan

Adobe  
Portland only:  
in lieu of Tan

## PAINTED EXTERIOR

Available on several of our replacement windows and doors, environmentally friendly, water-based coatings provide outstanding coverage and durability and offer long-term performance and customized beauty. Our oven-baked application ensures the paint will maintain color and prevents cracking, fading, peeling, blistering, and abrasion from impact.

Silver

Classic Brown

Espresso

Bronze

All available with white interior only.

On-screen and printed color representations may vary from actual finish colors.

## GLASS

Select clear glass or choose from an assortment of obscure options for privacy in a bathroom or bedroom. We also have tinted glass for additional shading from direct sunlight.

## ENERGY EFFICIENCY

Our products can meet ENERGY STAR® standards in the climate zones we serve. Our warm-edge spacers help to lower conductivity, improve argon gas retention, and increase condensation resistance. Low-E coatings help reflect the sunlight away from your home maintaining interior temperatures.

### What is Low-E?

Low-E glass blocks the bad stuff and lets in only the light you want.

## GRIDS

Grids between the glass allow for easy cleaning, while simulated divided lites (SDL) and check rails create a more historical look.

## SCREENS

Choose from standard screens or PureView® mesh for a clearer view outside.

Standard Mesh  
Lets fresh air in and keeps most everything else out

PureView® Mesh  
Finer mesh allows for clearer views and better particle protection

#### OUR COMMITMENT TO YOU

We have a dedication to quality and build our windows and patio doors to last. With the V400 Tuscany® Series, you're covered for as long as you own your home with our industry-leading Full Lifetime Warranty that includes Class Breakage coverage.

See complete details at [MILGARD.com/warranty](https://www.milgard.com/warranty)

#### OUR GOAL IS 100% TROUBLE-FREE

With a goal of 100% trouble-free, our teams work tirelessly to help ensure your project stays on track.

From regular inspections and quality audits throughout the manufacturing process, we strive to ensure that the final product you receive meets our high standards.

In addition, most MILGARD windows and patio doors carry the American Architectural Manufacturers Association (AAMA) Gold Label to show they have met their strict requirements, which are tested and certified by a third party. This rigorous testing includes water, air infiltration, structural integrity and forced entry resistance.

## INSTALLATION CONFIGURATIONS

Buying windows doesn't have to be complicated. MILGARD makes it simple, from the planning stages through project completion. We'll help you understand which frame type suits your project and home style.

### Nail Fin

The nail fin is attached directly to the house's frame in new construction and replacement projects where studs are exposed.

### Z-Bar

This configuration comes with a flange on the exterior of the window to cover and seal the frame on homes with stucco.

### Block

Commonly used for replacement projects, this window inserts into your existing frame, leaving interior and exterior trim undisturbed.

## EXCEPTIONALLY STRONG

The strength of fiberglass protects your investment from the elements in all seasons. Because of its inherent properties, fiberglass won't swell like wood and it expands and contracts at the same minimal rate as the glass, resulting in improved performance and energy efficiency.

Fiberglass won't peel, warp, split, pit, or corrode, and is virtually impervious to water. MILGARD regularly tests its fiberglass lineals for color uniformity, gloss, film thickness, and chemical resistance for quality and long-lasting performance you can count on.

## OUR APPROACH

Our windows insulate as well as elevate, tirelessly working to seal out the elements and create homes that are protected, comfortable, and quiet. The path to perfect windows and doors has never been more clear.

## Window features

### 1 FIBERGLASS FRAME

The frame expands and contracts at approximately the same rate as the insulated glass it holds, putting less stress on the seals for improved performance and clear views.

### 2 EASY TO OPERATE

Enjoy smooth operation with either a full counterbalance system (in hung windows) or stainless-steel rollers (for slider windows) that make the window easy to open and close.

### 3 SAFETY AND SECURITY

The Positive Action™ and Cam locking systems exceed forced entry codes, giving you peace of mind inside your home.

### 4 ENERGY EFFICIENT

Tested and built for your climate, our windows and doors adhere to ENERGY STAR® v6 requirements for energy performance.

### 5 INDUSTRY-LEADING WARRANTY

You're covered for up to 20 years with our Lifetime Limited Warranty.

**“WE ABSOLUTELY LOVE THIS DOOR!  
IT LOOKS PERFECT, LIKE IT ALWAYS  
BELONGED THERE.”**

— Happy Valley, OR

# Create seamless transitions

Bring the outside in with the C650 Ultra™ Series patio door. Available in French sliding, in-swing, and out-swing configurations, this patio door beautifully merges your interior space with the exterior world. Sliding doors are engineered with top-quality rollers for impressively smooth and quiet operation. Swing doors offer two-way adjustable hinges for easy door panel alignment. With stainless steel, multi-point locking hardware for security and performance, these French doors are a simple addition that can add intricate detail to your space.

### HARDWARE FINISHES

**Clear Anodized**

**Bronze Anodized**

## GLASS

Select clear glass or choose from an assortment of obscure options for privacy. We also have tinted glass for additional shading from direct sunlight.

## GRIDS

Enhance your home's spaces with a variety of grid configurations. Select grids placed inside our insulated glass units for easy cleaning.

**Flat Grid**

**Sculptured Grid**

Hardware will match frame color. On-screen and printed color representations may vary from actual finish colors. Anodized coatings help to prevent against rusting, pitting, and corroding.

# Tuscany<sup>®</sup> Series | V400 Vinyl Patio Doors

Tuscany Series Sliding Door

## SmartTouch<sup>®</sup> Innovation

Milgard has a long-standing tradition of innovation. The SmartTouch<sup>®</sup> door handle addresses the need for durable, easy to use patio doors that exceed rigorous California forced-entry codes\*.

### ERGONOMIC

A simple one-touch motion unlocks, opens and closes the door, making it accessible and usable for all ages.

### SMARTTOUCH<sup>®</sup> BOLT

A fully integrated steel bolt that secures the sliding patio door firmly into the top frame with the flip of a lever - an industry first! Let the fresh air in while keeping the door secure in a vented position.

### SECURITYMAX<sup>™</sup> PACKAGE

Includes a multi-point locking system paired with the SmartTouch<sup>®</sup> Bolt. The lock is activated with a single motion of the handle which engages four locking points and secures the door in the top frame and bottom track. This provides five points of security on your patio door.\*\*

\*Based on guidelines set by the American Architectural Manufacturers Association.  
\*\*Locks are designed to improve security but are not guaranteed to keep intruders out under all circumstances.

## FEATURES

Made with a unique vinyl formula for durable frames that won't absorb moisture

Superior energy performance with SunCoat<sup>®</sup> Low-e glass coatings and EdgeGuardMAX<sup>®</sup> spacers

Stainless steel, multi-point locking hardware for security and high performance

The Milgard Full Lifetime Warranty\* with Glass Breakage Coverage for as long as you own and reside in your home

# Energy Efficiency

## Tested and Built for Your Climate

At Milgard, we help homeowners like you make an impact on their energy consumption by offering energy efficient windows and patio doors designed for your homes comfort.

We make it easy to meet local energy codes and green building efficiency standards with a selection of energy packages you can tailor to your specific climate. We conduct thermal simulations to improve energy performance and we adhere to ENERGY STAR® v6 requirements that meet or exceed U-Factor and Solar Heat Gain Coefficient (SHGC) criteria in the areas we serve.

Your energy efficient windows could include one or more of the following features based on your climate.

- SunCoat® or SunCoatMAX®
- EdgeGardMAX® Spacer
- Foam Spacer
- Argon
- 4th Surface
- Triple Glaze

Trinsic Series 4-panel, White
